

DIGITAL TEAM BUILDER

The example below shows the cards being used in Microsoft Teams. You can use the cards in most of the common collaboration, project management and canvas tools such as Trello, Microsoft Whiteboard, Workplace, Mural, Yammer, etc

WALL OF WORK

HOW IT WORKS

Don't start with a blank page!

*Use the Digital Team Builder cards to find your path to better teamworking - **fast**.*

- 1 SET (OR RE-ASSESS) GOALS AND TEAMWORKING VALUES**
 Choose a Goal card that aligns with your team's baseline goals and targets for digital teamworking.
- 2 IDENTIFY YOUR BLOCKERS**
 Identify the current obstacles within your organisation that could get in the way of achieving and building towards the goal chosen in **1**.
- 3 PLAY THE STRATEGY CARDS**
 Choose and play the **Strategy** and **Tactics** cards which will help your team to move towards your goal and/or remove the blockers.
- 4 PLAY THE TACTICS CARDS**
- 5 CREATE A FORMAL 'WALL OF WORK' (6-MONTH WORK PLAN)**
 Cards are prioritised and laid out on a timeline, with roles and names assigned. Copy and paste the cards into a project management tool like Trello or Microsoft Planner to create a formal work plan.
