

### THERE'S NO 'ONE SIZE FITS ALL' IN INNOVATION

The world is always changing. Our BLUE Team Program (incorporating full Institute Membership) has been designed to identify your challenges and determine how our experts, community and 'collective wisdom' can help.

Our point of difference - community and collaboration. We don't do your innovation for you - we connect you, inspire you and help you and your team become more innovative for long-term results and success.

Institute Membership offers you full access to collaboration and the shared learnings of our community and experts. Benefits include:

#### FOR YOU

(as the person responsible for the membership)

- An Annual Innovation Health Check to identify your current issues and challenges.
- Informal ongoing support to deliver your defined outcomes.
- A fully transferable ticket to our annual conference to help you collaborate and build your innovation network.
- Complimentary tickets to preview new program workshops (at Hargraves' discretion).

#### FOR YOUR TEAM

- Use the Health Check outputs to develop a 12-month capability development program and plan for change.
